CONFIDENTIAL JUROR QUESTIONNAIRE

Please complete the following questionnaire – it has been approved by the Court and will be filled out by each prospective juror. To select jurors, the Court and the parties require certain information. This form is designed to save time and assist the Court and the parties to move forward with trial as quickly as possible. Please answer the questions below honestly and completely, and provide your response in the enclosed envelope. This information will not be used for any other purpose except to select a jury.

If you need additional room for your answers, please use the Explanation Page, which is the last page of this questionnaire. Please remember to include the number of the question you are answering.

From this moment going forward, and until you are released from the jury selection process, you must not communicate about this case or your role as a prospective juror with anyone, including your family and friends. This is because the Court requires you to use only the information/evidence you receive in court to make your decisions and to be free from outside influences.

From this moment going forward, you must not read anything about the case or listen to any reports about the case, to the extent that there are any. In addition, do not do any research about the case, the parties, the attorneys, or the case issues by any means. Communication would include phone conversations, email, text messaging, "tweeting", blogging, website postings, internet chat rooms, or postings on any social networking websites such as Facebook, Twitter, LinkedIn, YouTube and/or Wikipedia.

It is very important that the answers be yours and yours alone. You must fill out this questionnaire by yourself and without consulting any other person. Please do not discuss the questions or your answers with anyone.

Remember that there are no "right" or "wrong" answers, only honest answers. You must sign this questionnaire, and your answers will have the same effect as a statement made under oath to the Court. Thank you for your time and effort in completing this questionnaire.
